

9 July 2020

Dear Colleagues and Students

FOUR NEW COVID-19 POSITIVE CASES: EAST LONDON AND ALICE

New Infections:

Today we wish to report that **four (4)** more employees have tested positive for Covid-19. The breakdown is as follows:

- 1. Mrs Nobathembu Nogqwazi-Lizani** : FACULTY OF EDUCATION, East London
- 2. Sister Linda Simandla**: STUDENT AFFAIRS: Health Care Centre, Alice.
- 3. Ms Usanda Salman**: SHE Practitioner- PROPERTIES AND SERVICES, East London and Alice campuses
- 4. Lecturer** - Accounting Department: FACULTY OF MANAGEMENT AND COMMERCE:, East London

We are grateful to all colleagues who grant us permission to reveal their identities. Through their efforts, the University of Fort Hare adds its voice to the fight against stigmatisation of people infected with Covid-19. It should however be noted that such disclosures are completely voluntary. We will continue to respect the privacy of those who wish to remain anonymous.

Total number of cases:

The university has recorded **19 staff cases** thus far, and eight (8) of those have recovered fully. Of the **eleven (11) active cases**, nine are in isolation while two are in hospital.

We wish everyone a speedy recovery.

Sincerely

Tandi Mapukata
