Step 2: Add your E-LEARNING CELLULAR DATA NUMBER. THIS IS OF CRITICAL IMPORTANCE FOR YOU TO RECEIVE DATA ON YOUR CELL NUMBER

On the **Student Administration** drop-down menu, please select **Personal Contact Detail** to add the “E-LEARNING CELLULAR DATA” Cellphone number where data will be loaded. Please also ensure that all other telephone numbers captured are correct and active.

Student iEnabler

- ✓ Student Devices
- ✓ Residence Application
- Student Registration
- Student Administration
- Graduation Attendance
- Personal Contact Detail

Note: If any previously entered contact details.

Communication Type

CELLULAR NUMBER

EMAIL ADDRESS

NEXT OF KIN CONTACT NUMBER

Note: Enter your contact details and click 'Save'. Use the list of values button completed. Click the 'Clear Form' button to clear the inserted values.

Communication Type:

Detail:

- a) Select **Personal Contact Detail**
- b) Click on **New Record**

c) Select the *list of values* button to choose a **communication type (DT)**

d) Select the DT type and **enter the cellular number that you wish to have your data added to, and save the record**. If this number is not added, you will not receive free data.

Step 3: Apply for a Laptop (The cost will be added to your student fee account on the loan-to-own scheme)

1. Select the **Student Devices** menu and then select the **Student Device Application** menu option. You will be presented with the following options:

The screenshot shows the University of Fort Hare iEnabler interface. On the left, a navigation menu is visible with 'Student iEnabler' at the top, followed by 'Student Devices' and 'Student Device Application' (highlighted with a blue box). Below these are various service options like 'Residence Application', 'Student Registration', etc. The main content area is titled 'UNIVERSITY OF FORTHARE Student Device Application'. It contains a form with the following elements:

- Student Number: 201414058
- Name: [input field]
- Note:** Please first ensure that you update your student address details on iEnabler. Please then **add your new E-LEARNING CELLULAR DATA number** under Student Administration -> Personal Contact Details -> New Record, select the E-LEARNING CELLULAR DATA type, and enter your number on which to have the data loaded. Please see the email with the details of how to add this number. It must be active and be able to have data loaded onto it. If data cannot be loaded onto it you can acquire a modem offered below.
- Question: Please provide me with a laptop. I accept that my student fee account will be debited with the cost:
 - Yes
 - No
- Question: Please provide me with my e-learning cellular data allocation provided by the University on my existing cellular number as captured on iEnabler "E-LEARNING CELLULAR DATA ", on the following network:
 - MTN
 - VODACOM
 - CELL C
 - TELKOM
 - Not Applicable
- Question: Please provide me with a cellular data modem. **This should only be requested if you cannot use your current phone as a hotspot.** I accept that my student fee account will be debited with the cost:
 - Yes
 - No
- Submit button

Submitted Applications can be canceled by clicking the “Clear Survey” button. This functionality allows a student to re-apply/ restart the process.

This screenshot shows the same University of Fort Hare iEnabler interface, but after the application has been submitted. The navigation menu on the left is the same, but 'Student Device Application' is now highlighted with a blue box. The main content area is titled 'UNIVERSITY OF FORTHARE Student Device Application'. It contains the following elements:

- Student Number: 201414058
- Name: [input field]
- Note:** Please first ensure that you update your student address details on iEnabler. Please then **add your new E-LEARNING CELLULAR DATA number** under Student Administration -> Personal Contact Details -> New Record, select the E-LEARNING CELLULAR DATA type, and enter your number on which to have the data loaded. Please see the email with the details of how to add this number. It must be active and be able to have data loaded onto it. If data cannot be loaded onto it you can acquire a modem offered below.
