FOUNDATION/ EXTENDED PROGRAMME
The Social Sciences and Humanities Foundation/extended Programme is an entrance programme intended to provide a strong academic foundation to students who do not meet Faculty of Social Sciences and Humanities minimum entrance requirements because they do not have sufficient Swedish rating points.

The extended programme follows the same structure as mainstream programme, but its curriculum is extended over a longer period and there is additional academic support. Extended Programme students must take one more year to complete their degree than mainstream students. These students must register for Academic Practices and Reasoning (APR) which is a value-addition course in their first year of registration. This course assists students in developing their academic skills towards their qualification.

RECOGNITION/TRANSFER OF CREDITS FROM OTHER UNIVERSITIES AND COLLEGES
The Faculty, informed by the relevant Department may apply to Senate for exemption of candidate from attendance and assessment in a module on the grounds of their having obtained credits for the same or equivalent modules prescribed for another qualification of the University or College, provided such University or College is CHE (Council for Higher Education) accredited.

Please Note: If the Diploma was used to gain entry into the University, such Diploma cannot be used to gain credits. Students may also be admitted in terms of the University Policy on Recognition of Prior Learning (RPL). (Please refer to the UFH RPL policy).
